ANDREW A. POTTER et al.

Serial No.: CON of 08/455,970

Group Art Unit: Unassigned

Filing Date: Even date

Examiner: Unassigned

Title: ENHANCED IMMUNOGENICITY USING LEUKOTOXIN
CHIMERAS

INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR § 1.97

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The information listed below may be material to the examination of the above-identified application. Applicants respectfully request that the Examiner review and make of record the references identified below. A Form PTO-1449 listing the references accompanies this paper. Applicants would appreciate the Examiner's

initialling and returning the form to indicate that the references have been reviewed and made of record.

Copies of the references which were of record in related application serial number 08/455,970 and from which the present application claims priority under 35 U.S.C. §120 are not included pursuant to C.F.R. §1.98(d). The references not already made of record in the 08/455,970 application are enclosed.
